Will roof sheathing be added or replaced?	Yes	No		
Existing Roof Sheathing:	Car Decking Spaced / Skipped	OSB Tongue & Groove	Plywood Other:	Shiplap
Proposed Roof Sheathing:	Car Decking Spaced / Skipped	OSB Tongue & Groove	Plywood Other:	Shiplap
Projected Estimated Cost of Project:				

The permit becomes null and void if work or construction authorized by the permit is not commenced within 180 days of issuance, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced, unless an extension is granted. Issuance of this permit does not give the authority to violate any federal, state, or local laws or ordinances, or the building code regulating construction. Separate permits (building, plumbing, mechanical, sewer, water connection, electrical, etc.) may be required for work performed on this site. Additional permits /plans may be required prior to Certificate of Occupancy issuance. Contact SRCAA at 509-477-4727 and/or visit www.spokanecleanair.org to ensure compliance with air quality regulations. The applicant shall be responsible for obtaining additional permits/approvals from affected agencies. Signing this application is acknowledgement of agreement to pay fees based upon the City's latest approved Fee Schedule. By checking the box below, I certify that I have read and understand all of the conditions contained herein and I have the authority to sign on behalf of the applicant. Additionally, I certify that my signature included on the permit, if done by electronic means, provides the same understanding and authority as if I had signed the permit in person or writing.
